

A cartoon illustration of a brown, bear-like character wearing a black graduation cap and holding a black pointer stick. To the left of the character is a pink clock face with various math symbols: a red plus sign at 12, an orange minus sign at 1, a green multiplication sign at 9, a blue division sign at 6, a green number 2 at 3, a green number 3 at 4, and a blue triangle with a dot at its center (representing a compass or set square) at 10.
